

Northcote Nursery is proud to congratulate the crew from 'Awash with Nature' for their wonderful success at this years Melbourne International Flower & Garden Show.

Liz Beale, Dale Johnson and Ross Peck's 'Awash with Nature' habitat garden won a 'Gold' Award, an 'Innovative Use of Plant Life' Award, and the 'Best in Show' Excellence Award in the Avenue of Achievable Gardens.

Northcote Nursery have been very happy to assist with sponsoring their beautiful garden, and staff were even more happy to inspect it in the flesh!  
Go team!
